SUBJECT: Quality Assurance Project Plan (QAPP) for Bioassessment Monitoring in Surface Waters of the Pyramid Lake Indian Reservation, Nevada, (QA Office Document Control Number WATR469Q04VSF1)

June 8, 2007

Eugenia.

Enclosed is the final Quality Assurance Project Plan (QAPP) for Bioassessment Monitoring in Surface Waters of the Pyramid Lake Indian Reservation, Nevada, and (QA Office Document Control Number WATR469Q04VSF1). This QAPP will allow the Tribe to continue the Physical Habitat & Bioassessment monitoring program on the lower Truckee River and streams within the Pyramid Lake Indian Reservation.

Thank you for your continued support and confidence in the Pyramid Lake Paiute Tribe Physical Habitat & Bioassessment monitoring program.

Sincerely,

Daniel Mosley  
Project Manager/ QA Manager
